Discussion	<p>A.) Savannah River Study: SRS CRO may help fund some or all of the study.</p> <p>B.) Marketing Trip: Delegation of 33 attendees 31 of which were from metro Atlanta and many were Fortune 500 Companies. Best Day was the day trip to Be'er Sheva which is very similar to the Augusta Region. Be'er Sheva is Israel's growing leader in Cyber Security. Many US companies have a presence there. Due to this trip and Todd Boudreau from Fort Gordon, the state's perception has shifted to our region being the leader in Cyber Security. How to get the same culture here? We need to sell the same story, who is going to sell it?</p>
